Are your pets staying together in a kennel? Yes or No

**\$14.00 per night for each additional pet per kennel. No additional pets can be accommodated in Small Suites or Cat Condos. If dogs are together in a kennel it's possible they can fight, even if they don't normally at home. If your pets show aggression towards each other they will be separated and you will be held responsible to provide payment for the additional Kennel. We will attempt to contact you if this happens.

If you are picking up after hours arrangements must be made prior to pick up and the boarding stay must be pre-paid in full.

Warm Hearts Pet Hospital is happy to have your pet staying with us, but please call if your pet will be staying longer than expected to confirm we have availability. Any boarding stay extending past original date of check-out must have additional payments made. Boarding pets remaining 10 days past original check-out date without payment can be subject to abandonment laws and will be retrieved by Henderson Animal Control.

I understand that *Warm Hearts Pet Hospital* does not have staff on the premises 24 hours a day; therefore, my pet will be left unattended in its kennel overnight.

I also hereby authorize *Warm Hearts Pet Hospital* to treat any emergency condition which may arise with my pet which may include but not limited to blood work, fluid administration, or x-rays. Pets needing additional major medical treatments/procedures will NOT be done before contact and permission is received from owner. I have read and understand the terms and conditions associated with the boarding agreement.
